ORDER NO.

**SUBJECT:**

Docket No. 2016-344-T – Application of Dream Classic Rentals LLC for a Class C (Charter) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier;

-and-

Docket No. 1994-354-T – Request for Exemption to Section 58-23-80, Reg. 103-153.1 Regarding Vehicle ID Markings - Staff Presents for Commission Consideration the Application of Dream Classic Rentals LLC for a Class C (Charter) Certificate of Public Convenience and Necessity along with the Request for Exemption from Required Markings.

**COMMISSION ACTION:**

Dream Classic Rentals LLC seeks a Class C Charter Certificate of Public Convenience and Necessity and a waiver of the Commission's placarding requirements. The Applicant cites as support for its application the fact that the motor vehicle being used is a vintage car, more specifically, a 1966 Ford Mustang convertible.

In the recent past, this Commission has considered such waiver requests on a case-by-case basis. The Commission grants the Applicant's request. Furthermore, the Commission notes that all Class C Charter vehicles are identifiable as such, even in the absence of placarding, by way of their limousine license plates and window stickers. Accordingly, in addition to granting the request for waiver of placarding in the instant application, the Commission would favorably entertain future waiver requests by Class C Charter Applicants and certificate holders.
